## Store 16406 Opens its Doors for Business

While Panama City, FL is no stranger to CBH, Thomas Drive was a location that had long been just an idea and a hope.

That dream became a reality when on October 7, 2020, Store 16406 opened its doors to the public. As this is not the first time that the familiar Burger King colors have brightened that area, it is the first time that this store is a CBH entity.

Adjacent to the Naval Base Main Entrance/Exit and offering a Military discount to those who proudly serve their country, this first milestone was made possible through the tireless efforts of GM Lorrin Peryer, her team, VP of Ops Anthony Brewer, Area Coach Jennifer Allen, Training Director Terrie Banks and Director of IT Jay Patel.

*Thomas Drive team dives in to make first day a success*

**Panama City, FL** – From the kitchen to the front counter to the dining room, everything in store 16406 is brand spanking new.

A new store is a big deal and even brings out the team from CBH Headquarters in Destin, as COO Lee Baugher and Maintenance Tech Jeff Walter discuss some last-minute details.

## FRIENDS AND NEIGHBORS

### **Employee Spotlight: Lorrin Peryer – New Store 16406 - GM**

When CBH set out to find the right GM to lead our first new store, it went all the way to the land of Daniel Boone and hired Kentucky's other pride and joy, Lorrin Peryer.

Leading this store should be easy for Lorrin, since when not handling her GM duties, she is FT Mom to the "little rascal" and photobomber, Nicholas who has plenty of energy to spare like all good four-year olds.

Like any Kentucky native, when it comes to football, Lorrin lends her loyalty to...the Georgia Bulldawgs?!?...Just goes to show that Lorrin goes her own way.

When she gets the chance, Lorrin would like to “go her own way”, but also take her significant other, Tim, all the way to Colorado’s Rocky Mountains for a dream ski vacation.

Until she hops on the plane, CBH is glad that she oversees its first new store.

## GOOD LUCK LORRIN!!!

### CBH ANNIVERSARIES

So very often we all get caught up in the events of the day that we forget to acknowledge the hard work and efforts of those around us.

Please join me in extending a very special thank you to those CBH family members with at least one year's service with Burger King and CBH as of **October**

## Trivia Corner

First, we need to congratulate last month's trivia winner, GM Teresa Holt. That is not a misprint, Teresa has won the trivia contest two months in a row.

Because of her current winning streak, we have been forced to adjust the rules for this and future trivia contests.

In addition to the Corporate team being ineligible to win, an employee may only be allowed three wins in a calendar year. For example, Teresa has one more win in 2020 before she is retired from eligibility until 2021.

Since this issue was dedicated to CBH's newest store, 16406, in Panama City, this month's trivia surrounds firsts and/or new products.

For a \$10.00 gift card from Target, the first one who emails all the correct answers to [bbarclay@bk-fl.com](mailto:bbarclay@bk-fl.com) will be declared the winner. The decision of the judges is final and if you Google the answers.....you will not get a Christmas card from me.:

1. What was Burger King's original name?
2. In what year was Burger King's first TV commercial?
3. Where exactly was the first restaurant located?
4. Who were the first owners of Burger King?
5. What was the Burger King character created?
